Pluto, I don't know if you will see this but, I'll miss you... Very much. It hurts to know you are leaving but I know it is probably for the best. I will never forget you. I know I was supposedly the one helping you, but you have helped me in ways you don't know. As I watched you go through this, it taught me a lesson that I'll never forget. It also brought out a good side of me I never knew I had. One that I wish I had long ago. Thank you Pluto. And I wish only the best for you.

Thanks for staying up late to talk, and giving *really* good advice. If you can't make it to Home Base, or I have to leave, just know that I'm so greatful for you. I don't deserve you at all.
